## INSTRUCTIONS

1. In a bowl, whisk together mix and spice. In a separate bowl, gently beat eggs. Add eggs, milk and oil to large bowl; stir just until mixed.
2. Heat a large non-stick fry pan or griddle over medium heat; lightly brush with melted butter or oil.
3. Working in batches, pour batter, scant ¼ cup at a time, into pan (don't crowd pan or it will be too tricky to flip them!).
4. Cook until bubbles appear on top, about 3 min. Flip and cook until bottoms are golden brown, about 1–2 more min. Transfer to a **Sheet Pan** lined with two **Cooling Racks**; keep warm in preheated 250° F oven until ready to serve.

**Whipped Cinnamon Butter:** In a bowl, combine ½ cup unsalted butter (room temperature) and 1 tsp **Ground Cinnamon**. Using an electric mixer, whip on medium speed until light and fluffy.

**Sautéed Apples:** Cut 2 large apples into small cubes; place in **Wok**. Add 1 tbsp unsalted butter or coconut oil. As the butter or oil melts, stir to coat apples. Sauté over medium heat until soft. Sprinkle in 1 tsp **Apple Pie Spice**. Stir to combine.
